- **Student Reports**
- **Academic Champions**
- **Honour Roll**
- **Year 5 Graduation Ceremony**
- **Concert**
- **Student Council**
- **Farewell**
- **New School Year**

## Student reports

Student reports were issued to parents in the last week of school. This semester we have had many students who were sick or absent during exams and this meant that results have been held up. We were pleased to see the positive performance of so many students on the end of year exams. The depth of understanding and confidence that students showed was very pleasing.

## Academic Champions

The competition between students for the Academic Champion Award was very very close. The winners in some classes were decided by fractions of a mark. We congratulate all of our Academic Award winners and encourage all students to set achievable goals to improve their learning.

## Honour Roll

Because of the depth of quality of our students in each class we have presented Honour Roll certificates to those students who achieved an overall average of greater than 85% for the year in Years 3-5.

## Year 5 Graduation Ceremony

As our Year 5 student prepare to go off to Middle school, we wish them every success in their future learning. On Wednesday 22 June all of our Year 5s performed for parents and received certificates to mark the occasion. Most of our students are heading off to SIS@ Gamuda to continue their study, and we hope to see them at our shared events.

Year 5 Graduation

**Concert AY 2015-2016**

### **Concert**

Many thanks to all the parents for their support of the school concert. Your help assisting with costumes and props and your presence made it a very special occasion. The children did a great job with their acts and many thanks also go to the teachers for their organisation and practice in preparing classes for their items.

### **Student Council**

Many many thanks to the members of the Student Council and Mr Brad. They have been very active and reliable during the year and have raised a lot of money for Operation Smile as well as organizing a Toy Drive, and Book Drive to collect donations for others. Their fundraising activities caused lots of excitement. Thank you for your input and support in judging the International Day doors, and the covers for the Year Book.

In fourth term some Year 3 students stepped up to be observers and will hopefully volunteer to be part of the group once again in the new school year.

### **Farewell**

Many students and teachers are heading off for a summer vacation. Please be very safe and we look forward to seeing you all again in the new school year. If parents have not yet collected their child's report they may visit during the vacation as the office will be open.

In this last week of school, students also received the school Year Book, class photos and concert video.

### **New School Year**

The new school year begins on Monday 8 August and we will welcome our new Year 1 students on Saturday 6 August so they are familiar with their classroom. You will be contacted through the holidays with the details.

I look forward to seeing all of our happy students return here after a refreshing summer break.

HAPPY HOLIDAY to all.
