4B visited PIU

4B make and enjoy waffles and strawberries with chocolate sauce

From the Principal

I hope you all enjoyed your Tet activities and time with your families. Many students returned with stories of travel to home provinces and also holidaying in Europe, Korea, Phu Quoc and Da Nang.

Now it is time to get back to our learning and focus on new activities and skills.

Parent Teacher Meetings

Thank you to all of the Parents who attended meetings with the teachers to hear about their child's/ children's learning. This is an important time when we can talk together about how to best help your children learn and how you can help support them. Over 200 parents attended meetings.

I would like to remind parents that while the academic aspects of learning are very important, so too are the personal growth aspects. Please allow your children some breaks in their learning for relaxation and rest. It is very important that they have enough sleep each night because they have a long day at school.

Some children have artistic and musical talents that can be nurtured and please remember to limit screen time! Our children need to know how to communicate face to face, and to speak and express themselves.

If you have not collected your child's report card, you will need to see the Enrolment Officer Ms Giang in the office.

Year 2L students go to supermarket

Year 2L makes a well-balanced breakfast after shopping in supermarket

Chess club

Excursions

Our Year 4 classes have visited PIU to make and enjoy waffles and strawberries with chocolate sauce. Yum

Year 5's will also be visiting the kitchens soon to make a fruit cocktail.

Year 2L class have been to the supermarket to shop for healthy foods to make a well balanced breakfast.

Clubs

Our clubs have just begun for the third term with about 185 club places and children are enjoying a range of fifteen activities including chess, basketball, robots, cooking, traditional games and handwriting.

Please try to ensure that you have collected your child promptly after their clubs finishes as our staff cannot remain late to care for children whose parents forget to make arrangements to collect their children. Students already have a very long day and they should not still be here in the dark.

Coming Up

Student Council will soon send home a letter advising of their new project to help others and asking for support from families.

Classes are beginning to plan for our International Day which will be held in the last week of the term. Each class will learn about a country and present information, games, art and activities about their country.
