Happy New Year 2017

Thank You

To all of our parents, we would like to say thank you for your support and encouragement to children in the period leading up to the school exams. The students were very hard working and well-focused on their tasks.

In the English exams, the students must pay close attention to what is being asked in the question and then answer accurately in their second language. I congratulate them on their hard work.

During the second week after TET, we will be having our parent teacher conferences where the school will provide report and discuss exam results with parents. Teachers will contact the parents to arrange suitable time to meet and we will have one evening of meetings to accommodate parents who work until later.

Thank you for all your support.

Term 3 Clubs

The new ASA offerings for Term 3 have been sent home this week. They will begin in week 3 after the parent teacher conferences. Students should register for clubs at the school office.

Tet

The children are getting excited about the coming of Tet. All of the integrated classes have been busy making Chung cakes to take home. Our Tet trees were set up and classes have been well-decorated for Tet.

We wish you all a very happy time with your families and send greetings for a new year full of health, wealth and happiness.
