Exams

Final exams have been taking place over the last month for both Vietnamese and English. All the teachers are busy marking and reporting, and will feedback to parents soon.

Reports

Parents can collect report cards in the last week of school. You should visit the teacher and sign two copies of the report. One copy is stored at the school until the student graduates or leaves the school. Official stamped copies are then passed to the parents when a student departs from our school.

Concert Transport

You have received permission forms regarding the transportation of students to the NCC for rehearsals and the End of Year Concert. As the concert takes place on a school day this year, we have also asked for information regarding your plans for collecting the students. Please make sure that you inform the teacher of your intended means of transport. This will help us plan accordingly to ensure we have enough buses for the return journeys.

Gymnastics

In the last month of school we will be running a gymnastic program to develop the balance, fitness and physical coordination of our students. With the help and support of

3C concert practice

My Gym we will give our students the opportunity to build their strength and agility and try new skills. This program will be run in place of the PE program and students will receive two lessons each week. We really hope the students enjoy this wonderful new experience

Overdue Library Books

Letters have been sent out for students who have had books overdue for a long time.

Please make an effort to find these books to maintain our growing library.

Year Book

All students will receive a Year Book in the last week of school. The covers have been designed by students.

Computer Safety

Please be aware that there are many concerns about children accessing online games as they give unsuitable people the opportunity to expose your child to unsuitable and unacceptable materials or requests from strangers. As parents, please be sure that you are aware of what your child is accessing. One site in particular that children are very keen to use is Roblox. However parents report that strangers have used this site to reach young children.

Year 5 Graduation

Our Year 5 students will have a special ceremony on Monday 26 June to mark their passing into Middle school. Parents will be invited to this special occasion. The children will perform some songs and express their thoughts and memories about leaving SIS@Van Phuc.
