VISION: To be an education institution of excellence from Kindergarten to University Foundation level combining eastern values with an international education to produce global citizens.

MISSION STATEMENT: To provide quality education programmes in a creative and challenging learning environment, embracing innovative teaching pedagogies to empower every student to become a life-long learner.

Message from the Principal

Dear Parents,

As March draws to a close, so too does Term 3 – and what a busy and vibrant term it has been.

We've had many highlights this month, from joyful community events to meaningful service initiatives. Our celebration of International Women's Day reminded us of the strength, resilience, and achievements of women in our school and beyond.

Dr Seuss Week brought colour and creativity to our campus, with students embracing each day's themed dress-up based on a different storybook. The energy and enthusiasm were infectious, and it was wonderful to see the joy that reading can bring.

In honour of St Patrick's Day, our Green Day fundraising – led by our Student Council – raised an impressive 10 million VND for the Blue Dragon Foundation. Thank you for your generosity and support in making a difference for children in need.

Our students in Years 4 to 6 also took part in OBV activities this term, helping them build confidence, leadership, and teamwork skills outside the classroom.

To cap off the term, our Easter Fair brought our community together in a festive spirit, with games, food, and laughter enjoyed by all. A big thank you to everyone who contributed to making the event such a memorable one.

As we look forward to the final term of the school year, let us carry this momentum with us – continuing to learn, grow, and finish the year strong. Term 4 promises more opportunities to come together, celebrate our learning, and support one another as a community.

Wishing you all a restful and safe holiday break!

Sincerely,
Mr. Paul

At SIS we seek to nurture students who are:

- Academic Achievers
- Confident Communicators
- Critical Thinkers
- Technologically literate
- Active and Responsible citizens

Upcoming Important Dates

- April 4 – STEM Day
- April 7 – King Hung Anniversary

Updates from the Deputy Principal

Dear Parents and Guardians,

As we wrap up March, we'd like to highlight some of the wonderful moments we shared this past month. Our St. Patrick's Day Green Day Celebration was a fantastic success, bringing our community together in a fun and meaningful way. Students and staff embraced the spirit of the day by wearing green, and through their generosity, we were able to raise 10 million VND for the Blue Dragon Children's Foundation, supporting their important work.

We also had a wonderful time at our Easter Fair/Open Day, and we want to extend a big thank you to the parents who came to join us and contributed to the day's success.

Our Van Phuc Spelling Bee representatives are diligently practicing for the upcoming SIS Regional/National Spelling Bee Competition. Their dedication and hard work are truly commendable, and we wish them the very best as they prepare to showcase their skills on a larger stage.

As we move into Term 4, we also begin preparations for our semester 2 exams and much-anticipated End-of-Year Concert. We look forward to sharing more updates as the event draws closer. Thank you for your continued support, and we look forward to a productive and exciting Term 4!

Respectfully,
Ms. Annie

Optimism means looking on the bright side of things and believing that good things can happen, even when life feels challenging. It's like seeing a rainbow after the rain or thinking, "I can try again!" after making a mistake. At SIS Van Phuc, we are optimistic about our learning journey, always staying hopeful and believing that with effort and persistence, we can achieve great things. Optimism helps us stay focused, try our best, and believe that success is within reach. Our Spelling Bee representatives are extremely optimistic about the upcoming competition.

March 2025

Updates from the Head of Vietnamese – Primary

Dear Parents and Guardians,

March began with International Women's Day, a day to honor grandmothers and mothers who selflessly love and sacrifice for their children's happiness. It's an opportunity for the world to recognize the significant contributions women make to their families and communities. SIS students participated in meaningful activities to express their gratitude to their loving parents.

This month, SIS students also continued to expand their knowledge and skills through engaging lessons. In Class 2A, abstract math concepts came to life as students used tape measures to measure objects in the classroom, such as tables, chairs, and boards. Everyone participated with enthusiasm.

Class 2B took storytelling to the next level by becoming characters in their own adventure to the forest of wild animals and the kind hippo, bringing the story to life with their creativity.

SIS students also had real-life experiences through OBV activities in grades 4 and 5. These activities created meaningful moments of connection and taught valuable lessons about teamwork. As they approach the end of their primary school years, these students have built lasting memories together.

March has been filled with many unforgettable moments. We sincerely thank parents for their trust, love, and support, helping their children grow. SIS continues to be a second home, nurturing dreams and allowing children to shine every day.

Sincerely,
Ms. Huong

Updates from the Head of Vietnamese & The Head of Studies - KIK

Dear Parents/Guardians,

March has been a wonderful month filled with fun, exploration, and meaningful learning experiences for our kindergarten students! It's amazing how quickly time has flown, Term 3 is already coming to an end, and we are excited for the new adventures Term 4 will bring.

Here's a look back at some of the highlights:

Events & Activities

- **Dr. Seuss Week** was a blast with fun dress-up days, including "silly socks" and a pajama party!
- Our theme this month focused on **fruits and vegetables**, which led to some creative and hands-on activities.
- **Excursions:** Our younger students had a fantastic time exploring **Saga Kids**, while **K1 to Prep students visited Chimi Farm**, where they picked fresh strawberries and tomatoes, fed animals, and participated in an exciting egg hunt.
- **Easter Fair/Open Day** on March 29th was a great success! Thank you for your participation and support in making this event so special.

As we transition into Term 4, we couldn't be prouder of our students' growth and enthusiasm for learning. We look forward to another exciting term ahead!

Best Regards,
Ms. Hang & Ms. Diadem
