Christmas and New Year Break**
January 13th – Start of Term 3
January 27th-31st - TET Holiday
February 3rd-7th – School Holiday
February 12th-13th – Parent Teacher Meetings

VISION

To be an education institution of excellence from Kindergarten to University Foundation level combining eastern values with an international education to produce global citizens.

MISSION STATEMENT

To provide quality education programmes in a creative and challenging learning environment, embracing innovative teaching pedagogies to empower every student to become a life-long learner.

Message from the Principal

Dear Parents/Guardians,

As we wrap up another remarkable year, I would like to take a moment to reflect on the achievements and milestones of the past two months.

In November, we had the privilege of hosting the WASC visiting committee for our reaccreditation process. Their four-day visit was highly positive, with the team expressing their appreciation for the many ways we support our students. We eagerly await the official results early in the new year.

We also celebrated Teachers' Day in November, and I extend my heartfelt thanks to all parents for your kind words and gestures toward our teachers and staff. Your appreciation was truly uplifting and a testament to the strong school community we share.

December has been equally vibrant, with highlights including our Christmas Charity Fair and the joyful Christmas Concert, where our students shone brightly, spreading festive cheer to all. Thank you for your participation and support in making these events so memorable.

As we now break for the Christmas and New Year holidays, I want to thank you for your unwavering support throughout 2024. Your partnership and commitment play a vital role in creating the nurturing and inspiring environment we strive for at our school.

School will resume on Monday, 6th January 2025, and we look forward to welcoming our students back for another exciting year of learning and growth.

On behalf of all the staff, I wish you a Merry Christmas, a joyful holiday season, and a Happy New Year. May this festive season bring peace, happiness, and cherished moments with your loved ones.

Sincerely,
Mr. Paul

Updates from the Deputy Principal

Dear Parents and Guardians,

As we conclude a busy and activity-filled semester, we want to express our heartfelt gratitude to everyone who joined us for the Christmas Charity Fair. The fair was a wonderful day filled with community spirit and generosity, and we are so thankful for your enthusiastic participation in making it a success.

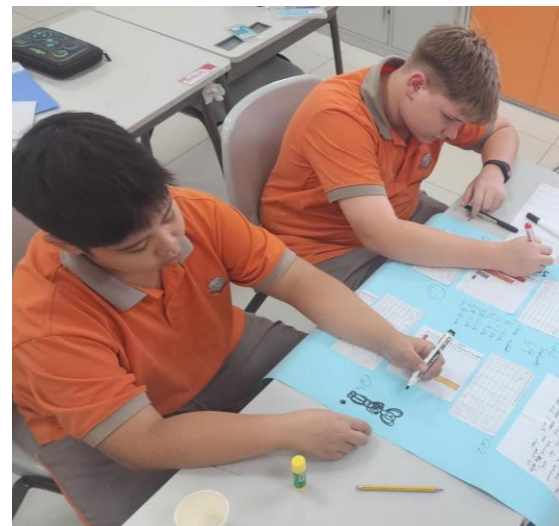

Thank you to all the parents who attended the Christmas Concert. It was a joy to celebrate the season together, and we are proud of our students and teachers for their hard work in preparing for this festive event.

This semester has been filled with learning, growth, and exciting activities. Our students have shown great effort and perseverance, and as we near the completion of Semester 1 exams, we are confident their results will reflect their dedication and hard work.

After the Christmas Break, we look forward to finishing Semester 1 and starting Term 3 on 13 January. We encourage students to return refreshed and ready to continue their learning journey with the same enthusiasm they have shown so far.

Wishing all our families a Merry Christmas and a prosperous New Year. Thank you for your continued support, and we look forward to an exciting and successful 2025!

Respectfully,
Ms. Annie

Updates from the Head of Vietnamese - Primary

Dear Parents and Guardians,

Let's take a moment to reflect on the special activities that students and teachers have participated in at school recently. In December, students successfully completed their first semester final exams and assessments. These evaluations allowed teachers to identify each student's strengths and areas for improvement, enabling the development of tailored support plans.

To provide students with engaging and meaningful learning experiences, the school has introduced a variety of experiential learning activities. Students explored creative Math lessons designed to foster a love for the subject. Additionally, integrating Vietnamese lessons with outdoor activities allowed students to connect more deeply with the content, enhancing retention and sparking their curiosity for discovery. We believe these enriching experiences contribute to the holistic development of our students. Parents, take a look at some of the delightful moments captured during the creative Math and outdoor Vietnamese lessons. The children were thrilled to explore mathematical concepts through interactive games and to engage with lesson content in natural settings. Let's continue to work together to provide our students with the most rewarding and memorable learning opportunities!

Looking ahead, the school has several important activities planned. Students will participate in field trips to various locations to complement their studies. Furthermore, as we prepare to celebrate the Lunar New Year, the school will organize a series of special events. These will include fun activities and performances designed to create a joyful and festive atmosphere. We encourage parents to support and encourage their children to take part in these meaningful school events.

Sincerely,
Ms. Huong

Updates from the Head of Vietnamese & The Head of Studies - KIK

Dear Parents/Guardians,

Looking back at the past months, November and December have been exciting for our kindergarten students at school. They enjoyed celebrating Teacher's Day in November and participated in the festive Charity Fair and Christmas Concert in December, engaging in learning, fun, and community activities.

In November, we celebrated Teacher's Day on the 20th, showing appreciation and spreading joy. The Prep Integrated classes exhibited enthusiasm and performed exceptionally well on this day. All KIK teachers achieved excellent results, during the November 20 celebration event, displaying a passion for inspiring active learning in our students. Alongside celebrating Teacher's Day, our students actively engaged in enjoyable and educational activities like exploring 3D house models and STEM projects.

Our students had a great time at the Christmas Charity Fair on December 7th and prepared enthusiastically for the Christmas Concert on December 20th. They worked closely with their teachers to put on great shows at these special events. Thank you for supporting our school community. Wishing you a festive holiday season!

Ms. Hang & Ms. Diadem
