Message from the Principal

Dear Parents/Guardians,

I hope you had an enjoyable and restful break with your families. For those who celebrated the Lunar New Year, I hope it was filled with happiness and abundance.

I wish to express my sincere gratitude for the support you have shown to our school community during the first 6 months of the school year. Your partnership in your child's education is invaluable, and it is through this collaboration that we are able to provide the best possible learning experiences for our students.

As we look ahead to Term 3, I would like to remind you of the parent-teacher conferences scheduled in week 2. These conferences provide an opportunity for you to discuss your child's progress and receive feedback from their teachers. Please look out for the booking link from the class teacher this week.

As we reflect on the first semester of the school year, we are proud to see the achievement and growth of our students. They have accomplished so much and we couldn't be more proud of them. The laughter and learning, the challenges and triumphs, and the memories we've made together have all been a journey worth taking. As we strive for excellence in all that we do, we look forward to partnering with you to foster the growth, development, and success of our students in the upcoming semester.

We wish you and your family joy, good health and prosperity for the year ahead.

Chúc mừng năm mới!

Sincerely,

Mr. Paul

Message from the Deputy Principal

Dear Parents/Guardians,

With Semester one now behind us, we should all feel proud of the effort and growth shown by our wonderful students. Results from the semester exams also demonstrate that learning is strong and the children continue to be happy and hard-working. This could not happen without school and home both working together.

We are grateful for your continued support of the school in providing a safe, nurturing, positive learning environment. We hope you had a wonderful Tet, and please accept our sincere wishes for a healthy and prosperous new year.

Respectfully,

Ms. Lindsay

Asa in K1A class was happy to receive To He character from the expert.

Virtues Programme

Service is giving to others and making a difference in their lives. When you act with a spirit of service, you can change the world.

The students in Year 5B taught everyone about the virtue of service by explaining how different professions, such as doctors, police officers, teachers, and park rangers, contribute important services to their communities.

Flexibility is being open to change. It helps you get rid of bad habits and learn new ones. Flexibility helps you to keep changing for the better.

4B shared their understanding of flexibility by acting out the very different ways in which flexible palm trees and rigid oak trees are affected by the wind.

SWLGs

Congratulations to all the Academic Achievers who received DynEd awards this term!

We are so proud of their diligence and determination to continue improving their English language skills.

Class Projects and Activities

Students in Year 1A and 1B got ready for their Lunar New Year treats by making these lovely and creative gift bags.

2L painted winter trees during an Art lesson.

ART

3L let their creative juices flow, busy with their Picasso inspired paintings.

Class Projects and Activities

STEM

5A students practiced coding and applying their code to instruct the Codey Rocky robot.

Chinese

4L students, Byeong Min and Se Young, developed their understanding of Chinese tones with flash cards.

Year 2 students had fun improving their skills in MS Paint this term.

5L showed their good wishes for the new year on red lanterns.

We had phenomenal performances from Prep A, K1B, Y4B, Y5B, Y4A, and Y5A for our special Tet assembly.

All the students and teachers were really excited to see the songs and dances that those students had worked so hard to prepare.

This amazing Tet celebration was the perfect way to finish Semester 1.

Chúc mừng năm mới!

KIK

Semester 1 has come to an end. All teachers have been busy working on assessment and reports for our students. We are so happy to see the results of our students compared to the beginning of the school year. Our teachers are looking forward to seeing parents on the 7th & 8th of February to talk about your child's development in Semester 1.

Our KIK students were active and engaged in their lessons and enjoyed take part in all fun activities to celebrate Tet at school in January.

We would like to thank our KIK teachers who prepared and held these games to make it a meaningful time for our students.

Calligraphy is one of the traditional Tet activities for people in Vietnam. **K2A & K2B classes** enjoyed painting the letters with the meaningful words that they wish for.

PN/N Honeybees class joined in many activities to celebrate Tet. To He is one of their favourite activities. They enjoyed the experience of touching, pressing, and rolling the playdough as they learnt to make To He with an expert.

K2A class is playing Cướp Cờ - Steal the Flag game

K1B class enjoyed playing a traditional game called: Ném Cờn.

K1B class learnt how to make To He.

K2B class enjoyed playing Tug of War game

Bao Linh & An An in Prep Rocket proudly display the outcome of their painting.

Prep Lunar class played Bit mắt đánh trống – Blindman bluff game.
